

CONFIRMATION

This is to certify that

Cabot GmbH

Kronenstraße 2
79618 Rheinfeldern
Germany

has implemented and maintains a **HACCP System**.

Scope:

The manufacture, packaging and distribution of untreated fumed metal oxides used for adhesives, sealants, paints and coatings as well as food, cosmetic and pharmaceutical products.

An audit, documented in a report, has verified that this HACCP system fulfills the requirements of the following regulation:

CODEX ALIMENTARIUS GENERAL PRINCIPLES OF FOOD HYGIENE

CXC 1-1969 / Revision 2020

Controls by the competent authorities are not affected.

Registration No.	000982 HCI
Frankfurt am Main	2025-03-12
Valid until	2028-03-11
